# America

200 years of . . .
Something known as
The American Way.

200 years of a lot of change but still a holding of the traditions that set our country apart from all the others — giving us a "face in the crowd."

Evidence of the bicentennial could be seen more and more as the year progressed. Fire hydrants, garbage cans, billboards, and bumper stickers graced the land in red, white, and blue. Even though the bicentennial seemed to last well over a year, we grew to realize the American Way was The Way. It had taken an ultimate test — the test of time. And it had proved over the 200 years it could stand against the destruction of wars, political turmoil, and could rise above these with pride.

History was made in 1976 and turning the following pages, we'll remember the year, the people, and the events that made history at AHS.

# Arlington

100 years of . . .
one of the fastest growing cities in the country. The small community of Arlington began as a result of the railroad in 1876 but was destined to grow. In 1930, the population had grown to 5,000 (not counting cows and chickens!) And from 1960-1970, the number of inhabitants had doubled. Now, in 1976, and with a population of over 125,000, Arlington has gained recognition for its unique industry, recreational attractions, and cultural activities.

The first high school was built in 1902 and [illegible] behind where Wy[illegible] Cafeteria is today. Life at school was a little different then. Rules were more strict for students; teachers had some tough regulations, too. No teacher could be married, female teachers could not dress in bright colors or use lipstick, and they had to wear at least two petticoats! Rude or vulgar language was forbidden for both students and teachers. Classes were much smaller, too. In 1928, there were 39 seniors to graduate. Like dress lengths, prices weren't so high back then either. For 50 cents, a student could buy a season ticket to see five football games and for 9 cents, a person could see a picture show. AHS, as we know it now, opened in 1956.

Arlington is a city to be proud of and celebrating its first 100 years made us a little more proud.

tradition-setting through the many talents, efforts, and dreams of the thousands who have walked the halls of AHS. The numbers of students have created diversity. But out of this, we found something called — UNITY.

We found it at pep rallies when we sang the Alma Mater. We found it in rehearsals for drama productions. We even found it in the everyday familiar classroom taking an everyday, but maybe not so familiar, test.

We found unity in things we did together because they made each of us feel like we "belonged" — we weren't just another face in the crowd.

Remember the second hall and getting "smushed?" We couldn't help but find unity there, right? And what about the unity we felt in competition. Whether on the grueling football field, basketball court, or track, we always strived to be the #1 team; sometimes winning and sometimes losing, but always united.

Mrs. Crouch is someone you can count on to count on you. She could be called the window to the world because she urges us to open our eyes to the possibilities of life. She has an overwhelming desire to share and give herself to her work and overcome the many misunderstandings that happen every day.

Cindy Green

Mrs. Crouch is not only a great typing teacher, but also a teacher of determination, effort and patience.

Debbie Brown

When one tries to describe Mrs. Crouch with words, one faces the problem of not knowing where to start. Her teaching does not stop at 3:30 when the last bell sounds. Each student is individually important to her as she strives to teach not only typing, but also self discipline and logic. Through encouragement, praise, and helpful guidance, Mrs. Crouch usually succeeds in helping each student discover his own spirit of self motivation.

Andy Wolfskill

Marie Crouch is a truly dedicated teacher. She is interested in the total development of her students — attempting to prepare them for successful careers and happy, useful lives.

Mrs. Mildred Shupee

Mrs. Marie Crouch is a professional, conscientious, dedicated, and enthusiastic teacher interested in the future welfare of her students.

# Mrs. Crouch—More Than a Teacher

Teachers ore many in the land of the Colts. Some teach math and science, others are skilled in art and English. Their chores are innumerable from grading papers to singing in the Christmas Choir. We see their faces every day. In fact, we spend about 1,190 hours with one teacher during the course of a year. So it's certain that each has some influence on our lives.

This yearbook staff chose to dedicate this edition of the Colt Corral to Mrs. Marie Crouch, who has influenced many students over the 22 years she has been at AHS. She teaches Typing I and II, but she also teaches patience, character, honesty and the belief that "the sky's the limit" when it comes to a student's ability to achieve. For these reasons and more, this book, Mrs. Crauch, is ESPECIALLY FOR YOU.

# Registration, Scribble Party, Howdy Day Greet AHSers

Summer's Over . . .
All good things must come to an end. On Aug. 20, 21, and 22 AHSers registered for the 75-76 school year in the school cafeteria.

Old friends reunited on Aug. 22 for the distribution of the '75 Colt Corral. The annual Scribble Party followed the receiving of the yearbooks.

"Sons of the White and Green . . ." The #1 hit song on Howdy Day was the AHS fight song. On Aug. 29 sophomores and juniors sang the #1 song with persuasion from the senior class of '76.

# October Features Field Dedication, Centennial Event

For the second time in two years, Arlington High's Colts played football in a new home stadium. This year, however, elaborate ceremonies were conducted to "annex" Cravens Field to AHS.

The ceremonies performed to signify the "annexation" were planting a block of AHS soil onto the field, and placing in the stadium a cement marker to show that Cravens Field is located on AHS' "North Campus."

Arlington's Bicentennial/Centennial celebration was kicked off with the help of AHS' Chamber Singers. The program site was Middleton Tote Johnson Cemetery where one of the oldest remaining buildings in the city, Melear Cabin has been restored.

# Spirit Week Boasts Theme of "Revolutionize the Texans"

AHS's annual Spirit Week got under way on September 22. The class of '76 decorated the middle hall on Thursday and was awarded first place by the faculty. On Wednesday the Juniors decorated the first hall. The third hall, decorated by the class of '78, won second place.

"Revolutionize the Texans" was the theme for the Senior tea party which took place in the courtyard on Thursday. Paul Revere looked on as the Student Council poured Texan tea into the Colt Bay.

# Special Activities Enliven Mid-Autumn Schoolday Routine

A rolicking evening of entertainment with cornpone songs and rib-tickling jokes had the audience rolling with laughter at the AHS Music department's production of Country Jamboree.

ASH Teen Age Library Association members hosted the Fall Conference for District 7. "Carnival of Media," the theme of the convention, included silent movies, paper back sales and games with prizes.

# Halloween Homecoming Highlights Autumn Season

Amid the pomp and pageantry of the AHS Homecoming pep rally, the junior and sophomore princess titles were awarded to Kay Kelly and Kelly Davis.

Also honored at the pep rally were the Homecoming Queen nominees, Seniors Kathy Elder, Sherry Higginbotham, Regan Lyle and Jill Poss.

Mr. and Miss AHS Spirit, Holly Snowden and Eric Gordon, were also announced during the pep rally.

The annual AHS Homecoming parade featured the sophomore, junior, and senior class floats.

"AHS will moonshine the Gophers" won the juniors first place in the float competition.

# Crowd Gathers at 'Bus Stop;' Awaits Dinner Theater

"Bus Stop," a dinner theater production, was presented by the AHS drama department in November.

The comedy, written by William Inge, was shown two nights with two separate casts.

Angela Humphrey took the lead part of Cherie one night, while Suzy Thompson assumed the role the second night.

Other characters were Elma, played by Bonnie Winberg and Dee Dee Duncan, and Grace, characterized by Dinah Dalton and Jill Harmon. Will was played by Emil Friberg and Allen Brokaw. Victor Vandergriff portrayed Carl, and Don Larson played Bo. Tom Ferris and David Hudson were also featured.

# Colt County Fair Proceeds Benefit Classes, Groups

Colt County Fair is to Arlington as Mardi Gras is to New Orleans.

Despite the rain and muggy weather, the Fair triumphed over tremendous odds.

The Senior Saloon, with dancing girls and singing quartets, was the main attraction.

The Junior Jail kept many young and innocent spectators from "dens" of inequity" such as the Student Council Casino.

Sophomores made a hit with the movie "Jaws," where prizes were won.

Brave teachers posed for the Art Club's Sponge Throw. Enthusiastic Thespians hosted a successful dime-pitch game.

Among the booths clubs hosted were "La Cantina Divina," by the Spanish Club; "Bier Zelt," by the German Club; dart throw by the French Club; book sell, by the National Forensic League; and home-made ice cream, by Americon Field Service.

Both clubs and classes made record profits at the event.

Altogether the Fair drew young and old for a delightful evening of fun.

# 'Pooh', DECA Convention Fill First Two Months of '76

That "Silly Old Bear" delighted Pooh-Bear fans of all ages as sock lunch theater goers and children from two elementary schools viewed the Drama Department's presentation of "Winnie the Pooh." The play was double cast for numerous performances in January.

Also in January, juniors flounted elegant fingers; their anxiously-awaited senior rings had finally arrived.

Early in February, the School Board appointed Mr. Jim Covert to succeed Mr. James W. Martin as the superintendent for Arlington Public Schools.

Superstition and sweethearts mingled on Friday the thirteenth. The sophomore class sponsored a Valentine's Dance featuring the band "Rush."

The same weekend, twelve hundred distributive education students and teachers gathered at Arlington High for the Area 5 DECA convention. Winners of the various contests advanced to the state competition. AHS placed three area winners.

# 'Fiddler on the Roof' Upholds Tradition of Fine Musicals

From "The King and I" in 1962 to "Hello Dolly" in 1974, the excitement of well-done musicals has brought life to the stage of AHS. In keeping with this tradition of fine productions, the stage lived once again on March 4-6.

Arlington High was alive with music and dancing, with prayers and humor, with matches, with goodbyes, with tradition . . . with "Fiddler on the Roof."

Presented by the choral department, "Fiddler" involved untold hours of preparation by music and drama students and anyone else seen in a blue T-shirt.

And their efforts were well-received; the show's professionalism impressed the audiences at three performances. The character portrayals were polished, the singing was excellent, and the dramatic scenes were unforgettable (who would ever forget that screeching ghost in the dry ice dream scene.)

Because all involved dedicated both their talent and their time (oh, those midnight rehearsals with quarter tests the next day), when the cast and crew alike joined hands for the final curtain call, those fortunate enough to have seen much more than just a play could respond, "Another tradition lives on."

# Patriotic Events Fill Heritage Week

Seventeen dollars and seventy-six cents was the goal for homeroams to collect, the money helping to re-open the Arlington Mineral Well. So began American Heritage Week.

Followed by the patriotic pursuits of wearing red, white, and blue and signing a bicentennial scroll, the week's activities climaxed with an assembly on Friday. Attending were such notables as a M*A*S*H team and the Statue of Liberty. Prizes were awarded for costumes and contest winners.

Plagued with an unreal number of run-off elections, three assemblies were held this spring to choose student leaders. The three classes united to elect Marie Wagner Student Council president, Stan Leu vice president, and Amy McGlasson secretary.

Juniors chose Nick Fox, Kirk Lewis, Roxanne Contu, Kirk Pearson, and Kelli Strong for 76-77 Senior Council leaders. Brian Pierce, Rod Houghton, Lee Ann Bryce, Sam Carter, and Shelly Wendel were elected by the sophs to be next year's Junior class officers.

# AHS Clubs, Athletes Stage Numerous Spring Banquets

Spring brings with it showers and Arlington High School banquets. Nearly every organization and near-organizations staged a feast of some type during the spring quarter at AHS.

Clubs, classes, and athletes managed to dress up in their best and honor each other.

Office Education girls and the DECA students joined their counterpoints from the other Arlington high schools to stage their banquets. Mr. James Martin, retiring school superintendent, was the speaker at the OEA affair.

Health Occupations Club members held their Employer-Employee dinner at the Bodega Steak House, while CVAE members chose Underwood's Cafeteria as their banquet site.

Probably generating the most excitement was the VICA Cosmetology banquet at Cibola. President Ford came strolling in. Well — maybe not the president himself, but look alike Paul McDuffie.

Sports banquets were scheduled nearly every weekend. Girls held a marathon dinner to honor all the girl athletes at Ramada Inn. Footballers were feted by the Arlington Lions Club, and then in May parents of the track team treated them to smoked turkey and Mom's salads and desserts in the AHS cafeteria.

Still other organizations gathering to eat and honor their own were Thespians, National Forensic League, Quill and Scroll, Future Farmers of America, and ROTC.

Some groups chose to go the informal route and held picnics. National Honor Society, Spanish Club and Baseball team members chose picnics.

# Choirs' Major Works Concert Concludes Year of Music

The music department's final program, the Major Works Concert, ended the year on a refined note. Accompanied by the Wind Ensemble and professional musicians, the Choraliers began the evening of May 20 with THE MAGNIFICANT. Soloists in the 18th century piece were Dinah Dalton, Sharon Kimmey, Rex Schimpf, and Jon Stricklan.

AHS exes, now members of the UTA A Capella Choir, joined the Chamber Singers for Mozart's REGINA COELI.

Switching from classical to patriotic, the whole choral department squeezed on the stage to present three choruses from AMERICA THE BEAUTIFUL.

The band and choir Arion Award winners were then recognized, along with Linda Attebury, the choir's student teacher. Refreshments afterwards gave music students a chance to relish their last performance together.

# Seniors' Awards Assembly Names Outstanding Students

Over a hundred seniors proved that they "know where they're goin' to." These graduates received community, athletic, academic, and school awards at the Senior Assembly.

Awarding Community honors were the DAR, American Legion, and other civic organizations.

Ten students received athletic honors; they were cited as the best on the girls' basketball and track teams, the volleyball, football, and baseball teams.

Academic honorees were plentiful as thirty-one AHS seniors won college scholarships. National Merit winners and the Top Ten graduates were also announced at the assembly.

School honors completed the list, with seniors winning vocational awards, English and Journalism honors, the Arian and Fielder Awards, and the new AHS Faculty Award.

# Banquet Honors Past Fielder Winners

In 1932 Robert Fielder established the Fielder Award to honor the outstanding boy and girl in Arlington High School each year. Forty-four years later those who had received the award met to reminisce and honor the 1976 winners.

The guest list at the Fielder banquet read like a Who's Who in America. Doctors, lawyers, college professors, teachers, business executives, and homemakers expressed how much AHS had meant to them.

Special guests included the founder of the award, Mr. Robert Fielder of Van Alstyne, former Superintendent Ross Wimbish, Supt. James Martin, and former Principal John Webb.

# Banquet, Prom Combine for Seniors' Most Elegant Night

"We've got elegance" may have came from "Hella Dally," but it could have come from the Sheraton Hotel in Dallas on the night of the Senior Banquet and Prom.

Seniors donned new dresses and rented Tux and headed for Dallas for an elegant dinner, followed by an elegant prom.

After a "hot" dinner served by white gloved waiters, the annual banquet program got underway featuring a complete slide show of the senior class.

Then many rushed back to Arlington or up the elevator to their rooms and prepared for the prom where they danced the night away to the music of Texas while sipping fruit punch.

# Vespers Service Challenges Graduates

To understand who they are and where they're going. This was the challenge given to the Class of '76 at Vespers. The worship service, held the Sunday evening before Commencement, was a time of unity for a group whose lives had revolved around each other since first grade. Diverse backgrounds and lifestyles were hidden under caps and gowns, visualizing the oneness felt by each graduate.

Holly, Jill, Bryan, Mr. Durham, and Mrs. Wallace, each in his own personal way, led the class to understanding and to realize that hope and faith are essential. Mr. Wilmoth was given the chance to "challenge these kids who have challenged me for three years," and Andy responded for the graduates.

A highly effective vignette was presented by Regan and Victor, who gave their classmates glimpses of the years spent together.

Reflecting on the apple wars of the past and common goals and fears of the future, the Spirit of 1976 was complete — a final gathering as a whole, as an ending before they met together once more — for a beginning.

# Commencement Tops 12 Years

Commencement is a time of new beginnings. Twelve years of public education end and the graduates face a new phase of their lifetimes. This moment of transition was observed by the Arlington High School Class of 1976 at their June third Commencement Exercises.

Following the invocation by Susan Malone, Senior Class President James Cribbs opened the program by recognizing the special guests.

Ann Cretsinger gave the Salutatory Address, commenting on education. Terri Turner then spoke on believing.

Mr. James Martin was given a gold pocket watch in appreciation from the Senior Class. He amused everyone with reminiscences of his involvement with AHS, as teacher, coach, principal, and finally superintendent.

Speaking on the importance of inspiration, Neel Woods paid tribute to the things that inspired all his achievements. Valedictorian Mendy Kennemer's address explored the meaning of this time in the grads' lives. The audience was then led by Ken Lasater in singing the Alma Mater.

Mr. Crouch announced, "Graduates, you may now turn your tassels," and the presentation of diplomas began.

Colt Choraliers, in the grandest graduation tradition, managed to follow Mr. Rash's direction (despite tear-blurred vision) and sing "You'll Never Walk Alone."

Susan Malone leads the assemblage in prayer.

# Student Council Members Promote Numerous Activities

"For the people and by the people" was the Student Council formed. As the major government for students, the council was composed of outstanding sophs, juniors, and seniors, with a wide variety of backgrounds.

Leading members of the Student Council were chosen by their fellow classmates as officers. The Council's officers led the student body through such activities as Howdy Day, Homecoming Parade, seasonal dances, American Heritage Day, and Twirp Week.

Among the more serious events, the Student Council gave an informal dedication of the new football Stadium, Craven's Field, at the first football home game.

Being good humanitarians, the Council helped the American Cancer Society, Samaritan canned goods drive, and the Muscular Dystrophy Rock-a-thon, by organizing the student body to participate in the activities.

Again this year one of the highlights of the year was the Council-sponsored Colt County Fair.

# Choraliers Don Overalls for Jamboree

Singing their way into the hearts of music lovers, the 1975-76 Choraliers provided entertainment for faculty and student body alike.

Choraliers participated in the Christmas program, Vespers, Country Jamboree, and topped off the year with "Fiddler on the Roof."

Practicing everyday at the stroke of 11:30 enabled the members to enter numerous contests and bring home scores of medals and plaques.

Under the direction of Mr. Dan Rash, Choraliers again presented two major works concerts, one at Christmas and the other in May at which they were accompanied by an orchestra.

Playing to near capacity crowds for three nights, "Fiddler" was well received by the audiences. Costumes, outstanding sets, and special props undergirded the professional-like singing and dancing of the music makers.

Performing several "gigs" a year for students and at contests, the Stage Band found it necessary to rehearse constantly. Meeting everyday at 2:30, members rolled up sleeves and unbuttoned collars to prepare themselves for the onslaught by the terror of terrors — "Doc."

Running fingers through curly hair, "Doc" produced one of the finest Stage Bands and musicians in Texas.

Weeks before the school year began, decisions were being made. The group that met at Andy's cabin in Glen Rose decided such bicentennial issues as "should the cover be red, white, and blue?" and "Should the teachers pose in 1776 costumes for the faculty section?"

Fortunately, the annual staff agreed "No" and gat busy combining creativity with practicality. Workshops and seminars in Austin, Dentan, and Ft. Worth made the job easier although that job was fargotten during picnics, birthday parties, and pixie hunts.

These funtimes, which have become traditions with the staffs each year, were improved by the 1976 Colt Corral staff. Pizza-eating was added as a campetition categary, and journalism swept unofficial intramurals. Mike Shapiro added to the staffs' banquet, but it was during the Easter break that, with a "field-trip" ta D.C., the bicentennial staff proved they do things bigger and better.

# News Staff Features Super Clot

April Fools Day gave the "CLOT" Staff the idea for a blood curdling newspaper. "CLOT" Staffers reversed the spreads and presented a totally "backward" paper.

Pizza eating contests and various sport teams were formed by talented individuals who competed against other lesser high school staffs.

In their spare time, Colt Staffers could be found peckin' away at a typewriter to complete the deadline for the day.

Quill and Scroll inductions, banquets, and birthdays provided a break in the publishing routine for the Staffers and Teach.

Workshops at UT, Austin, TCU, and TWU kept the journalists busy.

Quill and Scroll, the Honor Society for journalism students in high school, involved Colt Corral and Colt Staffers.

Amid the aches and pains of over indulging in peanut butter sandwiches, the Quill and Scroll inductees received their "solid gold" pins as a remembrance of that day at Howard Moore Park.

In April, the annual Quill and Scroll Banquet was honored by the appearance of the hast of "Inside Television," Mike Shapiro.

Taking, developing, proofing, and printing pictures kept photographers hustling an endless amount of business in filling annual and newspaper layouts.

Photographers participated in the J. Thorton photo contest with several award winners.

Bruce Ray, Cherie Sauce and Don Mothis received awards as did Michelle Creel.

Among the Honorable Mentions were Melissa Saffarans, Travis Stout, Don Mathis, Tom Bailey, and Bruce Ray.

Then at the Six Flags Mall contest AHS photographers walked off with even more prizes including "Best of Show."

For the Photo Club, better known as Photo Pack, members sacrificed themselves to be reincarnated as walking cardboard cameras at the Homecoming Parade.

# Honor Society Hosts Traditional Ceremonies, Receptions

Countless meetings, installations, inductions, drippy snowcones, and a spring picnic filled the year for National Honor Society members.

At the annual Colt County Fair, club members perfected the somewhat sticky art of making snowcones. This money-making project helped to finance the upcoming induction ceremony.

March brought the traditional tap day activities where new members were persuaded to leave their homerooms for a reception of donuts and cakes.

A few nights later, both old and new members and their parents gathered in the auditorium for the formal induction ceremony.

The year's grand finale, a picnic at Randol Mill Park, was shared with students of the Veda Knox School. Despite Ann Cretsinger's wet encounter with the pond, the yearly event proved most enjoyable.

Under the leadership of President Bryan Bishop, the club completed a busy and exciting year.

# Pooh, Bus Stop, Shakespeare Occupy Thespian Calendar

What's this? Someone is actually singing "hold the pickles, hold the lettuce . . ." to the Burger King lady! Boy, that guy's got nerve. Why's he daing it?

Thespians know. They've been through it themselves. It's a few moments of embarrassment that every understudy must survive, his initiatian.

Once inducted into Thespians, the curtain was barely up. Drama people practiced their persuasive speaking skills at Colt County Fair as crowds gathered ta pitch dimes Six Flags style and bid in the actors' auctian.

Marching in full castume, the troupe entertained curb-side audiences along the Homecoming parade route.

But drama is a Thespian's specialty, and the Thespians put tagether some special dramas, including a dinner theatre, sack lunch theaters, and a UIL one-act entry.

# Livestock Shows Keep FFAers Busy

Possessing qualities and attributes not abundant in today's society, the Future Farmers of America confronted life with an optimistic, enthusiastic outlook.

This optimistic outlook created an atmosphere of awe by the student body as the misnamed goat-ropers and kickers achieved awards far beyond those of other clubs and organizations.

Early in the year, the FFA displayed another ability by selling citrus during the winter to raise money for various activities.

Among the FFA's many responsibilities were the care and grooming of the symbol of the Colt Country, Little Arlie, and the upkeep of the courtyards.

# Dinners, Luncheons, Climax OEA Year

Month by month, VOE students seemed to prove that their club, the Office Education Association, was one of the busiest groups at AHS. They began the year with an installation dinner in September, followed by a covered dish dinner the next month. Apparently still hungry, OEA held a luncheon in November to honor their alumni. Christmas projects included helping a needy family and some hospitalized children. In February, the business teachers and the members' mothers were guests at a salad supper.

The city-wide banquet followed in March, and prospective OEA members were invited to a covered dish meal in May. In addition to these "lunch and dinner specials," OEA held regular breakfast meetings every ful-filling month.

# Volleyballers Seize Bi-District Crown

AHS' girls varsity volleyball team took the bi-district title. The team, coached by Mrs. Lynda Bradham was placed in the top eight teams in the state.

After working together for more than three years, the girls took the district title and met Richardson in the bi-district match. Richardson downed the Colts, but due to a disqualification on a match violation, the AHS team was awarded the bi-district crown.

Capturing a season record of 34-2, the girls recorded a district record of 16-0. Four AHSers were named to the All-District team. Taking the honors were spikers Wendy Wilson, Sally Taylor, Terri Turner, and Mendy Kennemer.

Entered in three tournaments this season, AHS girls walked away with seven All-Tournament players including Spikers Wendy Wilson, Sally Taylor, Mendy Kennemer, and Setters Doreen McCall and Terri Turner.

The Colts traveled to San Marcos to take third in that city's tourney, and grabbed the first place trophy in the Richardson-Berkner and Arlington Invitational tourneys.

Under heavy district competitian, the girls found Sam Houston to be their main hurdle against the championship title. With hard losses to the Texans in both matches, the JV found themselves matched against the Lamar Vikings in the final district game to decide the title.

Competing in two tournaments, the junior varsity braught home a first place ranking in the 16-team Richardson-Berkner Tournament as they placed twa girls on the All-Tournament Team, Junior Setter Sally Semler and Junior Spiker Peggy McCaffery.

Racking up a season record of eight wins and one loss, the girls gained a first place ranking in district as well as valuable playing experience for the junior varsity and varsity teams during their next two years.

With the varsity team losing five of its six starters to graduation, these girls will make up the varsity team in 76 and 77.

After a shaky start which saw the sophomore spikers fall to Duncanville, they made a strong comeback, and were undefeated throughout the remainder of this year's season.

# Colts Follow Hoofbeats to Co-Championship: 8-2 Season

Arlington High School achieved its finest football record in the past three years in 1975, finishing 8-2 and grabbing a share of the 7AAAA title

The highly successful season was accomplished in Mike O'Brien's first year as head coach of the Colts. O'Brien was assisted by Coaches Mike Stovall, defensive line; Jim Barnette, defensive backs; and Ben Bailey, offensive line. AHS shared the district crown with Sam Houston, both schools finishing with 7-2 records.

Arlington went in to the last game of the season against Lamar needing a victory over the Vikings plus a tie between Sam and Irving Nimitz to win the title outright and go to the state playoffs. The Colts took care of their business by beating Lamar, but Sam edged Nimitz in the final quarter of a game that was tied with just four minutes to play. Sam Houston was awarded a spot in the playoffs by virtue of a defeat they gave AHS.

# Defense Initiates Victorious Season

Arlington defeated the Yellowjackets of Arlington Heights in the season's first game played at Craven's Field. The 20-6 victory proved to be a preview of things to come as AHS prevailed on aggressive defense. The Colts defenders set up one score and made another.

In the second quarter Charlie Carlton picked off a pass, which set up a touchdown run by Kelly Hyde. With AHHS driving for the equalizing score in the third period, Lee Allen intercepted a pitchout and went all the way to clinch the game. Hyde scored once more for AHS.

Trailing by a touchdown with just over eight minutes remaining in the game, Linebacker John Shuttee broke through to block a Scot punt, while David York recovered for a score. Keith Walker hit Jeff Slack for the winning points.

Arlington suffered its first loss of the year against Sam Houston, 9-7, in a game where the Colts did more to defeat themselves than Sam did.

AHS rebounded strongly against Duncanville the next week, however, winning 14-0. The Colt defense once again performed superbly, shutting out the explosive Panther offense.

# District Turns as Colts Upset Cards

Probably the most heartbreaking game all season for Arlington was against Nimitz. Leading 14-7 midway through the fourth quarter, the Colts gambled on a fourth and one play near midfield, coming up just short. Nimitz struck for a quick touchdown, which was aided by a questionable pass interference call. Nimitz failed on a two-point conversion attempt, however, and Arlington appeared to be safe. However, Kelly Hyde fumbled the ball near midfield with time running out, and Nimitz got close enough to the AHS goal line to kick a game winning field goal with just two seconds to play.

The Colts rebounded to hand Irving MacArthur their first loss in two years and turn the season around with a 9-0 victory. Gary Burgland added the only points Arlington needed with a 32-yard field goal with just a minute to play in the game. Following Burgland's kick, linebacker Lawton Carlton stepped in front of a MacArthur pass and returned 31 yards for the score. The extra point attempt failed, but AHS had won its most important game of the year to date. Arlington kept its hopes for a district crown alive with wins over Bowie and Grand Prairie, 28-0, and 14-0, respectively.

AHS struck from behind in the last 18 seconds to down Irving 21-15.

The season's last game saw the Colt defense swarm on Lamar and defeat the Vikes 14-3 to win the district co-championship.

A late touchdown on a kick return lifted the MacArthur Cardinals to a 16-13 win over AHS in another important battle.

Bowie took the brunt of the fired up Colts' revenge as the Vols fell by a score of 43-14. After a close first half, Arlington broke the game open in the third quarter as Temple Aday scored four times.

The Colts managed consecutive wins over Grand Prairie and Irving, before closing out the season with a convincing 34-14 win over Lamar. After gaining a 14-0 lead in the first period, the Colts coasted to a 21-8 halftime edge. AHS added two more TDs in the second half to run the final count to 34-14.

Bob Payne captured the district individual championship. After taking fourth in the regional meet, Payne traveled to Austin to be the only Colt competitor in the Texas State Cross Country Meet. Payne captured third place in the state meet.

The thincladders competed for 9 straigth weeks in meets around the Dallas-Ft. Worth area. The Colts hosted the annual Arlington Cross Country Meet and a triangular meet.

# Girls B-Ball Takes 2nd District Slot

With five returning players, Arlington High's girls varsity basketball team called on seven juniors in its quest for a district title during its third year of existence.

By defeating Bowie, Sam Houston, Lamar, and Mineral Wells by exceptional margins, the Colts came to meet Duncanville, reigning district champs eight years in a row.

On their home court, the Duncanville girls had to hold their breath as the buzzer sounded to bring them a victory by one point.

The Colts went on to defeat Grand Prairie, Bowie, and Sam Houston. In a hometown match, the Colts found Lamar ready for a fierce battle. While looking ahead to Duncanville, the Colts barely squeezed by Lamar, 50-49.

Meeting D'ville on their home court would provide an advantage. The Mean Green took an early lead, 10-0. As the score see-sawed back and forth, the buzzer sounded finding the Colts behind by two, 41-43.

# Basketball Team Boasts Impressive 15-3 District Slate

Arlington High School recorded a highly successful season in basketball for the 75-76 school year, posting a 27-8 won-lost record.

The Colts were coached by Dale Archer and Jud Pritchard. These two coaches deserve ample credit for building a team which had lost several talented players from previous years.

Arlington did not win the district title this season, that honor going to cross-town rival Sam Houston.

O. D. Wyatt provided the Colts with their opening game competition, and the Chops came away with a 50-46 win. AHS was hurt by poor foul shooting as they saw an early lead escape them.

The green rebounded with a 56-40 win over Dallas Sunset, but lost to Southwest 62-51. Things did not look bright for Arlington at this point in the season. The offense was struggling, and they had to play state runnerup, Paschal. Arlington put it all together to whip the Panthers convincingly 68-54. A 26-point second period proved to be the spark the Colts needed to break out of their shooting slump.

The Colts prepared for the Arlington Classic by beating Western Hills and W. T. White.

# Season Produces High Hopes at AHS

Track season at Arlington High School produced a strong boy's team, which placed second in the district race behind rival Sam Houston.

Coached by Gerald Richey, the Colts began the season with high hopes generated by several returning members of the previous season's championship squad.

In the first meet of the year, the Fort Worth Indoor Meet, AHS had four individuals competing. Colts at the meet included Brad Burris, Norman Allport, Keith Simmons, and James Cribbs.

# AHS Track, Field Squads Manage Successful 76 Season

One of the highlights of the spring track season was Brad Burris' superiority in the pole vault event. Burris held the top vault in Tarrant County all season long with a 14'8" effort.

His skills earned him a chance to compete in the Texas Relays at Memorial Stadium in Austin.

Although Burris, Payne, and the mile relay team of Lee Allen, Bob Simeone, Kelly Hyde, and Steve Prather qualified for regionals, no one was able to gain a trip to the state meet. John Shuttee also advanced to regionals in the shot.

Burris and Payne were jointly awarded the Most Valuable Track and Field Award. Cameron Bird, Prather, Rob Sprang, and Payne were cited as Most Improved runners, while Steve Warner, Will Bowers, Scott Parker, and Burris were the Most Improved Fieldmen.

# Colt Tennis Team Places Fifth in District 7AAAA Race

Under the direction of Coach George Averyt the Colt tennis team posted a 14-10-6 record in 1975-76. The Colts were led by Seniors Ron Harnist and Mari Jorgensen. Other returning captains were Randy Davidson, David Tangier, Karen Priess, and Lynda Landford. The squad placed fifth in district play, and compiled a four year record of 72-37-8. Coach Averyt feels that next year the Colts will have their strongest team in the last five years. He stressed that this year's team was in the midst of a rebuilding period.

The Colts struggled through the early part of the fall season before coming to life in the Trinity Invitational Tourney. In that tournament 12 Colts were awarded trophies. David Tangier and Randy Davidson took the boys doubles championship as did Sam Carter and Terry Laudamy. Lynda Lankford and Karen Priess won the girls double title and were followed by Amy Scott and Dawn White. The Colts concluded their fall slate with wins over Nimitz and Lamar. Arlington took the Vikings by a 9-5 count. The doubles teams of Priess-Scott and Robin Sawyer-Dawn White all won their matches.

The Colts opened the spring season strong with wins in three out of their first four matches. Arlington beat Irving Nimitz in a match played on the AHS courts. Lynda Lankford and Amy Scott both prevailed in singles, as did Derrick Cawthron and Rod Houghton. Trinity was the next competition for the Colt netters and the Trojans won 10 matches of five. Arlington then hosted Bowie with the Colts prevailing five to three. Stuart Cobb won in his singles match and Lynda Lankford and Robin Sawyer also came out on top in singles.

# Colt Fuzzballer Makes Regionals

In an important tournament held at AHS the Colts saw Sam Houston and Lamar place higher and L. D. Bell win the tourney. It was the first time for Arlington to lose to Sam Houston in three years.

Arlington managed a fifth place finish in the district in what Coach Averyt termed "not a bad showing." Lynda Lankford came in second in girl's singles in the district tournament and was entitled to advance to regionals. Lynda won her first match but lost in the second round.

John Tetens was the only AHS greensman to qualify for the regional meet.

Named to this year's All-District team was Kyle Barlen and Tetens.

The varsity squad included Barlen, Tetens, Gary Garrison, James Johnson, and Terry Osbarn.

# Baseballers Begin With High Hopes for District Crown

Arlington High's baseball team opened the season with high hopes for a district crown. AHS had several good reasons for their optimism. The Colts were coming off a strong season the year before in which they lost two close games to future state champ Dunconville. Those were the only district games AHS lost last year with the exception of a one-run decision to Highland Park. The Colts, had four returning starters for the 1976 season. They included pitcher Keith Walker, shortstop Danny Smith, catcher Gerald Brown, and second baseman Gary Burgland. These players were aided by players up off a winning B-Team.

The dugout contemplates the Colt situation.

Jack Holmes took the mound for Arlington's first district contest against first year competitor Bowie. Holmes struck out 18 batters as Arlington outscored the Vols 8-0.

Keith Walker picked up the win on a windy day against Lamar by a 9-1 count. Next the high riding Colts took Highland Park 3-2 to set up a big showdown against also undefeated MacArthur.

Walker pitched a brilliant game as the Colts ran their record to 4-0 with a close win. However, just as it seemed that Arlington could not be stopped, Grand Prairie of all people turned the tables on AHS 6-1.

This was to be the start of the Colts' downfall as they dropped consecutive one-run decisions to Irving and Irving Nimitz.

This left Arlington out of first place by two full games.

# Colts Grab 4th After Duncanville

The Colts worked out their frustrations on the state champion Duncanville Panthers exploding for seven runs in the middle innings to win.

Sam Houston pulled tricks on AHS one more time and proceded to knock the Colts out of the district race. With two outs in the last inning, Texan Les White scored from second base on a steal and a passed ball for a 1-0 victory. Steve Brannon was the loser.

The Colts set out to get revenge the very next night against Sam, and touched the Texans for a pair of first inning runs. Walker made the lead stand up for a 2-0 shutout win, which knocked Sam out of the running for the title.

Arlington ended the season on a down note with a pair of losses to MacArthur, 3-2, and Duncanville, 6-2.

AHS was fourth in the zone behind champion Duncanville.

# JV Posts 8-1 Record for '76 Season

Arlington High's Colt Junior Varsity baseball squad concluded a highly successful season with an 8-1 district record, the best in 7-AAAA ranks.

Coached by Judson Pritchard, the Ponies began the season with a loss to Arlington Heights and a win over Eastern Hills. They then managed a doubleheader split with Fort Worth Southwest.

March proved to be a very wet month for the Metroplex and consequently played havoc with the baseball team. Rematches with both Heights and Hills were rained out, as was the conclusion of the Lamar Tournament, in which Arlington lost to Haltom and Lamar, and beat Bowie.

Arlington's only loss in district play was to the Sam Houston Texans. The Colts, however, beat Sam in two previous games.

B-Team members included pitchers Steve Elder, Mike Laman, Kirk Lewis, and Mark Wade. John Wade, and Kevin Moses handled the catching.

Infielders included Bruce Bowen, Darrell Agee, Jerry Barcroft, Curt Culbertson, Pete Bruton, Carlos Battle, Mark Wade, Allen Roberts, and Joe Dunn.

Playing outfield were Larry Sadler, Dave Johnson, Keith Sherrill, Eddie Bells, Elder Roberts, Barcroft, and Dunn.

# Soccer Goes 4-2

# For City Second

Soccer at Arlington High got off to a rousing start in its initial season, posting a 10-2 record and finishing second in city competition.

The AHS team was coached by Randy Porter, who was new to the sport. Both of Arlington's losses came at the hands of Lamar, the district champions.

The first year program was characterized by lack of support. The games drew small crowds and were not publicized very well.

Arlington played their first game against Mansfield High School and trounced them 16-0.

All city schools fielded a team in the first year of organized soccer competition.

# Cheerleader Quantity Boosts 1975-76 Colt Spirit Quality

With the addition of several new girls sports and varsity soccer, a need arose for more cheerleaders. This need was quickly met by the election of ten girls to lead the student body in cheering on all the Colt teams.

Serving as cheerleaders were Regan Lyle, Sherry Higginbotham, Kathy Elder, Karen Near, Lynn Jeffery, Kim Menge, Janelle Burnette, Isy Priddy, Susan Bloom, and Kay Kelly.

Six sophomores made up the junior varsity squad that kept the action going in the stands at all B-Team games. Stacey Burris, Kelley Davis, Nancy Malone, Debbie Brown, Tracie Arnold, and Sherry Johnson led these chores.

Leading the life of an AHS cheerleader kept the girls busy with a multitude of jobs including planning pep rallies, painting posters, and selling ribbons.

AHS cheerleaders could be found on the sidelines of football, basketball, soccer, volleyball, baseball, and track events for both boys and girls teams.

Miss Gay Friess acted as sponsor of the cheerleader squad for this year.

# Thincladders Recognized for Year's Efforts at Banquet

At the annual Track and Cross Country Banquet, Colt runners were recognized for their year's achievements.

Senior Brad Burris and Junior Bob Payne shared the Most Valuable Track and Field Award for their leadership ability and competitive spirit.

Brad, after a year of state ranking in the pole vault, journeyed to Austin to compete in the Texas Relays. He placed fourth in pole vault and sixth in the 120 yard high hurdles. He later shattered his own district record by vaulting 14'7" at a district meet held at Wilemon Field.

Bob Payne had his share of success, placing fourth in the two-mile run at the Texas Relays in Austin. At the regional meet in Denton, he set a personal record in the mile of 4:21.1, but failed to qualify for the state meet by placing third in the event.

Other Banquet Awards given included The Most Improved Runners of 1976, awarded to Sophomore Cameron Bird, Junior Bob Payne, and Seniors Rob Sprang, Steve Prather, and Brad Burris.

The Most Improved Fieldman of 1976 were Sophomore Steve Warner, Juniors Will Bowers, and Scott Parker, and Senior Brad Burris.

Held in the AHS cafeteria the banquet was presided over by Coaches Gerald Richey and Randy Porter, who announced the awards and their recipients.

# Spirited Principal Relates 'Dreams' for Arlington High

C

What does S-P-I-R-I-T-E-D spell? Mr. James Crouch, Arlington High principal!

Always eager to find new and helpful techniques in the field of education, Mr. Crouch still found the time to keep an eye on the athletic aspect of AHS.

"Decked-out" from head to toe in AHS colors, Mr. Crouch was enthusiastic and helpful to the morale of Colt Spirit.

(A) Wearing his "football" uniform, Mr. Crouch flashes a grin. (B) Mr. Crouch never forgets Colt spirit even in routine tasks. (C) Cravens Field is formally christened as Colt territory.

# Enthusiastic Vice Principals Oversee Home of AHSers

AHS was blessed with three vice principals this year. Mrs. Mildred Helms, Mr. Bob Howington, and Mr. Wendell Lackey could be caught sashaying down halls and policing covert corners.

Among their many duties the vice principals still could find time to talk to passing students and give encouraging advice.

Announcements were the prized duty of Mr. Lackey. Girls and boys attendance were closely monitored by the vice principals.

Mrs. Jeanne Butler tried to keep Principal James Crouch's affairs in order, while Mrs. Becky Anthany totaled up the many activity accounts in her duties as bookkeeper.

Attendance accounting occupied Mrs. JoAnn Derrick and Mrs. Helen Crofford, while Mrs. Jean Pitzer manned the counseling office.

Sophomores "suffraged" through "The Lottery" and were miserable during "Les Miserable's," a film about a poverty stricken Frenchmen.

Miracles were worked by Sophs as they poured over novels such as "A Separate Peace," "Master and Man," "The Pearl," and "The Miracle Worker."

"If you have tears, prepare to shed them now," because this was only the beginning of the end.

# Junior Students Prepare Themes

What did Junior themes, classic novels, and aptitude tests have in common? They were all a part of the Junior English curriculum.

Juniors "presented" their ancestors for evaluation by the English teachers. To help their students get "into" the bicentennial spirit, English instructors asked students to prepare geneologies.

"The Scarlet Letter" and "To Kill a Mockingbird" were read by Juniors.

A theme a day did not keep the Senior English teachers away.

Besides themes, students were surrounded by novels, plays and films.

"Gulliver's Travels," "Lord of the Flies," "1984" "Animal Farm," and "Cry the Beloved Country," were just a sample of the literature to which Seniors were exposed.

"Whether 'tis nobler in the mind to suffer the slings and arrows of outrageous fortunes" was asked by seniors while they studied William Shakespeare.

Tragic was not the Greek philosopher Sophocles' classic works. "Oedipus" and "Antigone" were a few of this man's great teachings that were discussed in senior classes.

The climax of the Senior English year was the classic film "A Lion in Winter," This film told about King Henry II and his decision for an heir.

Vocabulary books were used by students to prepare them for college and the ever-present college entrance tests.

# Squeamish Science Students Learn of Worms

A

Disections, equations, and experiments were part of the action the Science Department tackled.

Chemistry students fumbled around making marble models and crucifying crucibles critically.

The red-beamed laser in Physics awoke uninterested students and the red Jennie in the crystal bottle amazed everyone.

Worms, pigs, fish, and frogs, drenched in formaldehyde, kept squeamish girls out of Biology classes.

AHS students were full of rocks during Geology classes. Fossils, besides the teachers, were scrutinized by inquisitive pupils.

Although the Biology, Chemistry, Geology, and Physics Departments were important, the individual teachers themsevles were far superior.

# Fine Arts Teachers Inspire Talents

"All for one and one for all" was the motto for the AHS Journalism, Drama, Band, Art and Choir, or the Fine Arts Department.

Journalism and Art classes pooled ideas for cover designs. Both departments participated in extracurricular activities, such as art sales and workshops.

Musicals, assemblies and half-time shows were presented by a joint effort of the band and choir.

What was Latin, German, French, and Spanish? The Foreign Language Department of AHS.

All Foreign Language classes participated in extracurricular activities such as parties, conventions, nationwide college placement tests, and dances.

Most of the Foreign Language Clubs had their own distinctive T-shirts.

Money-making projects at the Colt County Fair featured food and games. "La Cantina," the Spanish restaurant, sold chili, nachos, and tacos. Germans dished up hot dogs, root beer, and hot pretzels.

French students furnished fun as they hosted a "Jaws" peg-throw.

Altogether the Foreign Language Department offered a varied curriculum.

# Business Classes Provide Abilities For Occupations

In the old rhyme "readin' and writin' and 'rithmatic," one basic element of school was left out — business.

Business courses enable a student to begin the makings of a career while still in high school.

Typing and shorthand were just a few of the many business courses offered at AHS. Both helped a student find a job and earn money for college expenses.

Business courses not only helped students earn money but business law and general business taught an individual how to budget his money.

To save a student's hard earned money, Bookkeeping I and II, recordkeeping and clerical practice came in handy.

Salesmanship courses were also offered at AHS. Students learned the art and technique of mastering the field of business and the occupation of a salesman.

# Active Coaches Participate in Swim Meet, Pep Rallies

Physical Education classes were a welcome change from the humdrum or routine reading, writing, and arithmetic.

Stretching those muscles and building those biceps kept athletic prone students always prepared for action.

Lifetime Sports, a coeducational class, made sports a fun-but-learning experience.

New lockers in the girl's dressing room resulted in a new record for suiting out.

PE classes enjoyed the typical sports of track, volleyball, basketball, soccer, gymnastics, and tennis.

# Interested Instructors Promote Driver's Ed, ROTC

Drivers education instructors found themselves in a team situation this year as they were presented with a brand new simulator to use in their teaching.

Films depicting nearly every possible driving hazard were shown to the students. The novice drivers were even subjected to snow and ice driving via film.

This new method enabled students to complete drivers ed during a one-quarter period.

ROTC teachers weathered another battle of enrollment and gained a year's reprieve. They also expanded their classes to the junior highs.

Despite the long and tedious hours their vigor and vitality never dwindled.

Readin', writin', and 'rithmetic were not the only concerns of one group of teachers who found themselves involved with menus, napkins, rock bands, and a million other things.

Officially called Senior sponsors, Mr. Barry Wilmoth, Mrs. Ann Schmidt, Mrs. Flo Francis, Mrs. Janet Wallace, Mrs. Irma Lovelace, Mrs. Loveta Moore, Mrs. Lou Baker, and Mrs. Martha Roark stood behind the seniors prodding, urging, and once in a while, demanding.

It was their job to help the seniors through building a float for Homecoming, staging the Senior Saloon for Colt County Fair, and numerous fund raising activities to pay for the gala end-of-the-year events.

They were on hand to organize the ordering of graduation announcements and caps and gowns. They were also around as a calming force during the elections for prom themes and vespers speakers.

Toward the end of school, sponsors managed to hold class while making the final plans necessary to get the Class of '76 officially graduated from Arlington High School on June 3.

"GREEN AND WHITE WE GET OUR KICKS, SENIOR CLASS OF '76." Spirited Seniors led the pep rallies with this jubilant cry as they paraded their "Mean Green" T-shirts throughout the year.

To lead the Bicentennial Class, James Cribbs was elected as president. Susan Malone, Jill Poss, Holly Snowden, and Steff Rury also aided in the emancipation of the Seniar Class.

Beginning in the Fall, the Class of '76 got ready for graduation by raising money with magazine sales, T-shirts, tea bags during spirit week, and raffles.

They also raised money by sponsoring the American Heritage Day dance.

Seniars finally realized that the day of reckoning had come when they received their announcements and caps and gowns.

Taking a break fram the hectic graduating life, the graduates held a picnic at Barbraok Park. Seniors also took a day off to rehearse for Vespers.

Formally attired, seniors attended the traditional banquet and pram at the exclusive Sheraton Inn in Dallas. Some also gathered at Six Flags for an evening of fun.

To make twelve years of school official, seniors received their diplomas on June 3 at Texas Hall.

# Commencement Exercises Produce Bittersweet Emotion

Members of the Senior Class of 1976 met for the last time as they gathered for commencement exercises June 3 at Texas Hall on the UTA campus.

Entirely led by the seniors, except for a brief address by retiring Superintendent James Martin, the ceremony saw honor speeches by Valedictorian Mendy Kennemer, Salutatorian Ann Cretsinger, Terri Turner, and Neel Woods. Senior officers James Cribbs, Susan Malone, and Steff Rury also had parts on the impressive program.

After walking across the stage for diploma folders, seniors returned to their seats for the traditional Choralier version of "You'll Never Walk Alone." Then with a sigh of relief, they went to the basement for their diplomas.

# Officers, Sponsors Lead Class Through Memorable Year

"We make hades seem like heaven, Senior Class of '77!" The Junior Class and its officers, having barely survived a year of being a soph, gladly welcomed their coming of age — Juniors.

Sponsors who aided the aspiring Junior class included Mrs. Karen Lowe, Sgt. Earl Childers, and Miss Judy Stricklin.

Other sponsors were Col. Jack Robinson, Mr. Jim Barnette, Mrs. Mary Clements, and advisory, Mrs. Melba McKnight.

Among the vast activities of the class was the winning Homecoming float, "Moonshine the Gophers."

Sophomores at Arlington High jumped right to work at the beginning of the year and went at a rapid pace until the very end.

For the Homecoming Parade they built a float based on the theme of "Arlington will shine with a strike on the gool-line," then offered a Jaws booth, a ping pong throw, and a bowling ball game for the Colt County Fair.

Entertaining the rest of the student body, sophs were hosts at a Valentines Dance featuring Rush. Completing the group's activities was a party at the end of the year.

Helping the students with class plans were the sponsors, Ms. Sharon Mars, Mrs. Ann Turney, Mrs. Alice Biggs, Miss Paula Slease, Mrs. Helen Bowen, Mr. Jim Swan, Mr. Rick Theobalt, Mrs. Becky McDonald, Mr. Randy Porter, Mr. Roy Smith, and Mrs. Bea Falvo.

The church is not the building; it is the people. The real church is people who are dedicated, cleansed, and committed — a people whose devotions are Christ centered. They, in a word, are Christians. They are people seeking to honor Christ in their lives.

The church is beautiful, not in proportion to the architectual quality of its meeting place, but in proportion to the spiritual quality of its members' lives. The church that meets in a beautiful building is fortunate, but the church composed of people who are living beautiful lives is blessed beyond measure.

Teaching New Testament Christianity in the Twentieth Century

Sometimes we are creatures of habit. Sameness prevails all too often... especially when it comes to eating.

Consider the change millions of Americans have already made. The change to Chick-fil-A.

A golden brown boneless breast of chicken, seasoned to perfection and served on a hot toasted, buttered bun.

In this burger-crazy world where sameness abounds, try something different. Chick-fil-A.

Yes. we've celebrated 200 years of something known as the American Way, and we're still celebrating! Besides the bicentennial, other happenings surfaced on the national scene.

It was a big year for politics. Jimmy Carter was seen parading through the country equipped with a big smile and a hearty handshake hoping to capture the Democratic Presidential nomination, and retired actor-rising politician Ronald Reagan was causing quite a stir among Republicans.

But votes weren't the only thing being captured around the nation. Kidnapped heiress Patricia Hearst was found as police made a raid on the California hide-out of the Symbionese Liberation Army.

In fashions, skirt lengths came down and bathing suits got skimpier than ever.

Country music singers strummed their way into many a heart across America, especially with the song, "Convoy" that was popular with the increasing number of "good buddies." Mrs. Gerald Ford even got into the CB act with the handle, "First Mama."

Another big headline was the death of billionaire Howard Hughes and the confusion over his authentic will or wills.

America '76 will soon be only a memory. As much as we regret seeing it fade away, the future looks promising for America, for the American Way, for the Best Way.

Will it ever stop growing?

Sandwiched in between two big city slices of Dallas and Fort Worth, rumors again emerged of a consolidation to make a great metropolis. Although opposition remains strong, rapid expansion is evident everywhere. Proof could be seen by all the new businesses that opened. Just on Cooper St., three new restaurants opened, adding to the competition already there. A new hospital was being built and UTA was expanding, too.

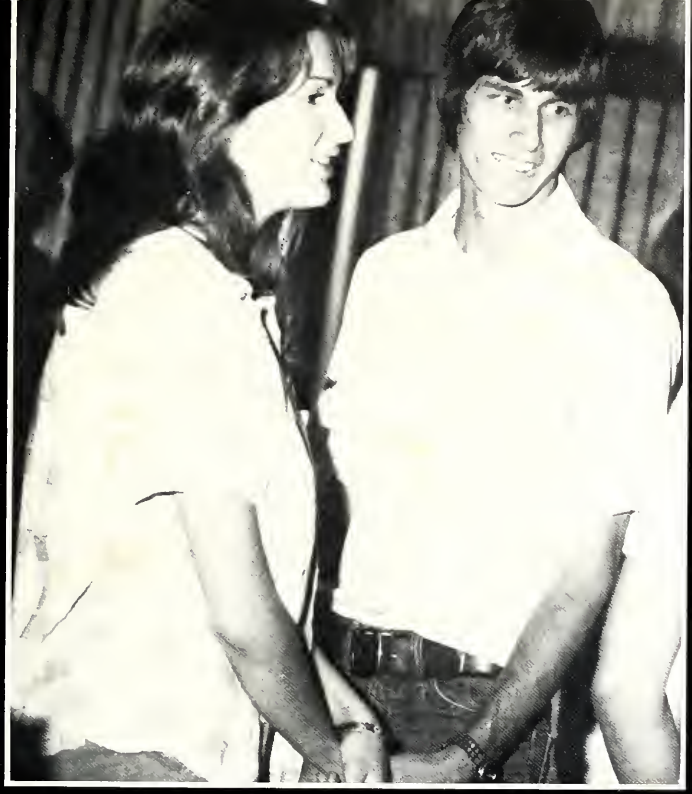
Once again we exchanged nine months of our lives for knowledge, experiences, and relationships. "Poor" Sophs survived their rookie year of Howdy Day and frog dissections. Juniors managed to get through the in-between stage of high school. (Senior rings helped a little.) And Seniors watched their last year fly by via graduation announcements, the Prom and the final walk to receive their diploma.

With Activities, Honors, Clubs, we all grew to be a little older and a little wiser.

The AHS tradition we had known the year before still survived. Howdy Day, Spirit Week, the Christmas program, Colt County Fair, Twirp Week — we were proud of the tradition. We fought for it, hoping the class behind us would do the same. It was the one thing we alone claimed to be our very own. It set us apart and gave us a face in the crowd.



Now, only the memories linger
Though time will surely fade them.
A class ring, a pressed flower,
an athletic letter, a program,
a yearbook.
They are our keepsakes —
the reminders of the year
we knew in '76.
A year that made history.
A year we were all a part of.
